# AWARD WINNING NEVIS VIEW RESTAURANT

**Real & Local Food | Gold Medal Winner  
The Scottish Hotel Awards 2010**

Dine in our award winning AA Rosette dining room, which has been recently refurbished. Our chef is now in his fourth season, and having received much praise for their outstanding cuisine last season are all set to thrill you with their new menus for the coming year.

The Nevis View Restaurant occupies the most scenic area of the Lodge and has outstanding views down the Spean Valley to Aonach Mor, the Nevis Range and beyond.

## MACKINTOSH BAR MEALS

Additionally you can opt to dine in our Mackintosh Lounge Bar. The same attention to excellence of our menu is offered in a more casual atmosphere. We also offer an extensive bar menu, which we proudly believe outshines your average bar menu. This menu is changed seasonally and again wherever possible we use fresh and local-supplied produce.
